

for action and action now, it is only natural that the law bodies will bring in everybody they can think of and they will, at least temporarily, pin down somebody as if he could have done the case and I think we make too many mistakes and there is no turning back after you get out there and you have killed a man by method and by planning. I think it is a mistake but I do agree with those who say we ought not to turn them loose on society and I think there are some who ought to never be released on society. That is an important point. Thank you.

PRESIDENT: Senator Simon, do you want to close debate on this matter?

SENATOR SIMON: Mr. President, members of the Legislature, I think in view of some comments that were made by Senator Venditte and others and also I would want to check out to see what Kansas has done because it is my opinion they have found some way to make a limited set time of 30 years, I would move that we bracket this for one week, the bill and the amendment.

PRESIDENT: Are you asking for unanimous consent?

SENATOR SIMON: Unanimous consent.

PRESIDENT: Is there an objection? So the bill as it now stands with the proposed amendment shall be bracketed for one week. Seeing no objection, it is so ordered. We go to LB 118. Senator Kelly. Mr. Clerk. The Clerk will read the title.

CLERK: LB 118. Read title. There are no committee amendments or other amendments pending.

PRESIDENT: Senator Kelly.

SENATOR KELLY: Mr. President and members of the Legislature, LB 118 corrects a legislative error in 1976 on LB 661 that went into effect on July 10, 1976 that prohibited the citizens of Hall County's petition to be acted upon by the Secretary of State's office to allow an election for Juvenile Court that the permission was given from the Legislature in '69 to those citizens. LB 118 would correct this error of not having the emergency clause on LB 669 and allowing the people in Hall County to petition for a special election, the purpose of which would be to establish a Juvenile Court in Hall County. I move that we advance the bill to E & R Initial.

PRESIDENT: You have heard the question, record your vote. Record.

CLERK: 26 ayes, Mr. President, on motion to advance.

PRESIDENT: The bill is advanced.

CLERK: Mr. President, I have some material to read in, if I may.

PRESIDENT: Proceed.

CLERK: Mr. President, a new bill, LB 79A. Read title. (See
